

“Making Your Technology Dreams a Reality”

# X-act Toolbox

Drill down into mission-critical, real-time data

## What's in the Toolbox?

X-act Toolbox allows anyone within your organization to view and print data directly from Exact ES or Progression, without having to expend valuable licenses. All you need is your Web Browser. **Try it yourself at [www.scsi-usa.com/toolbox](http://www.scsi-usa.com/toolbox)**

- ▶ Access to information without a Progression or ES license.
- ▶ Onscreen reporting and an Excel Plug-in for easy exporting of data.
- ▶ Easy, one-click access to pertinent data.
- ▶ Viewable from remote locations via the Internet.
- ▶ Restricts access to sensitive customer information.
- ▶ Look up tracking from UPS/FedEx when integrated with StarShip®.
- ▶ Compatible with all versions of Exact Progression and ES.
